

Inclement Weather

Coach/Manager: In the event that a game needs to be stopped due to inclement weather, lightning, etc., one or all of the following methods will instruct you:

- Notified by event administrator on the field
- Air Horns/Police sirens

Everyone should then go to the cars or a place of safety with under the concourse with a sense of urgency.

In the event of **Lightning** the event will wait 30 minutes after lightning strikes before the games will be restarted. **DO NOT LEAVE THE COMPLEX!**

In the event of a **Tornado Warning**- all fields will be cleared until the local National Weather Service lifts the warning.

Re-Entry on the Fields: The air horns/sirens will sound again or a event official will inform you when everything is "all clear." You should then return to the field. If it is necessary for you to check with event management regarding this situation, we ask that only one team official go to event headquarters. If your team/player is on the field while the "prior to the ALL CLEAR" your team may be asked to leave the event and all your games will be forfeited. No refund is given.
